This Agreement supersedes any and all prior representations, understandings, or agreements, written or oral, concerning the subject matter herein, including conflicting provisions in the Customer Agreement.
- 4.8 Amendment. The Parties agree that this Agreement will be amended automatically to conform to any changes in the HIPAA Rules as are necessary for each of them to comply with the current requirements of the HIPAA Rules and the Health Insurance Portability and Accountability Act, unless a particular statutory or regulatory provision requires that the terms of this Agreement be amended to reflect any such change. In those instances where an amendment to this Agreement is required by law, the Parties shall negotiate in good faith to amend the terms of this Agreement within sixty (60) days of the effective date of the law or final rule requiring the amendment. If, following such period of good faith negotiations, the Parties cannot agree upon an amendment to implement the requirements of said law or final rule, then either Party may terminate this Agreement and the Customer Agreement upon ten (10) days written notice to the other Party. Except as provided above, this Agreement may be amended or modified only in a writing signed by the Parties.
- 4.9 Other Terms. Other capitalized terms shall have the meaning ascribed to them in the context in which they first appear.
